FIRM PROFILE AND HISTORY

Providing the resources of a large firm, while maintaining the personalized service and cost-effectiveness of a small firm.

We are a dynamic, independent Turkish law office operating in Istanbul since 2004, providing the highest quality of legal service to international organisations and businesses as well as individuals. Our business activities include, inter alia, European law, contract law, company law, commercial law and real estate, while we offer a considerable expertise and knowledge in investment contracts and taxation.

We possess a high level of expertise, experience and knowledge. We are renowned for our commercial approach and for understanding our client's ultimate goal. With our strength in depth, we focus on making a valuable contribution to the progress of our client's business and provide excellent value for money. Together, our lawyers work across practices and jurisdictions bringing their collective experience to provide the highest quality legal services.

This way, each individual client benefits from the experience and

the knowledge of the whole team. We are flexible and we adapt our services to the needs of our clients. Using our wide network of associated and affiliated companies, we offer continuous services to our clients and we take pride in every client's individual success. Upon request and before undertaking a particular case, we are able to provide you, the client, in a straightforward, open and honest way, with an estimate of our fees thus making the service much more customer-friendly and predictable.

ATTORNEYS AND LEGAL EXPERIENCE

Highly respected, skilled attorneys who maintain strong client relationships.

Imagine a law office which totally commits itself to find best legal solutions for its clients in almost every field of law. We as Cindemir Law Office based in Istanbul, provides wide range of legal services for its foreigner clients with the competent legal team members who have significant academic background obtained from outside of the country.

Cindemir Law Office has been providing legal service for two different type of client profile. There are US citizens who seeks legal assistance for themselves as an individual in the country and there are also foreign legal entities which seek assistance for the matters related to business. Our law office has comparative legal aspect to international legal matters. We

can examine the legal matters both from Turkish - European aspect and also from Anglo-saxon (Common law) aspect.

The quality of the legal service we provide is unique with our legal team. We can provide legal services in Turkish, English, Arabic, Dutch, French, German languages
